

## Robin Class News

### Term 4

Dear Parents and Carers,

We have a very exciting term ahead of us in Robin Class. Each week we are going to enjoy Forest School activities where we will be deepening our understanding of the natural world through playing games and making craft activities with Mr Gayle and one session led by Bristol Grammar School. Through spending more time outside each week, we will have a fantastic opportunity to identify the first signs of spring through observing changes in plants and trees.

This term's enquiry question is Where does food come from? We will have lots of opportunities to taste familiar and unfamiliar foods, whilst learning about eating healthily. Chartwell's, who provide our school meals, are coming into class to deliver a workshop about where food comes from and they will introduce the children to the Eatwell Plate. As the term progresses we will develop our understanding of food hygiene in preparation for rising to our end of term challenge of creating a meal for a special visitor. We will soon be sending home a form for you to send back to us, as we would love to receive recipes of your child's favourite meals and find out what foods your child ate when she/he was a baby.

Our story sessions at Bristol Central Library will continue this term. In addition to this we will be incredibly busy visiting St Stephen's Church twice once as a class to experience visiting a place of worship then again later in the term with the whole school to join an Easter Service. As well as celebrating World Book Day, the start of Ramadan and Easter.

Thank you all for your continuing support, especially those of you who have been able to come along to support our class trips. We look forward to having a fantastic fourth term with you all! Please let us know if you are able to help at Tuesday 27<sup>th</sup> library visit 10-12noon, Tuesday 5<sup>th</sup> afternoon church or Tuesday 19<sup>th</sup> library visit 10-12noon.

Yours thankfully,

Vicky Leaker, Chris Gavriel and Karen Bryant
