

Willow Park update

18 February 2022

Willow Park
C of E Primary School

Dear Parents and Carers,

I hope you have all managed to stay safe and that the consequences of the storm haven't affected you all too much!

It was a really tough decision to have shut the school today after having so much disruption already over the past few months but I still believe that we have made the right decision in order to keep families and staff safe.

We hope that when we return in Term 4 things will start to return to normal with regards to Covid restrictions. We are waiting for an announcement for central government so that we are able to assess the situation for Willow Park.

We are however planning to go back to whole school assemblies back in the hall for the first day back - this is something that the children and the staff have all missed and valued.

We will let you know about further developments as they come in.

I hope you all manage to have a safe and peaceful half term.

We are back to school on **Monday, 28th February** and we look forward to seeing you all return for another exciting term.

For those of you that are in Year 6 we have our residential at Culmington Manor next term which I am very much looking forward to. Please remember to make payment - if there is a problem with this please speak to a member of the office or leadership team who will be happy to support.

Best wishes, looking forward to seeing you next term,

Chris Larke-Phillips
