

## Authors

We will be using a picture book called 'Escape From Pompeii' and using the text to answer questions based on what we have read and seen. We will also use the text to write a diary entry, narrative, newspaper report and a persuasive letter.

Children will have the chance to discuss different pictures from the book and using SPAG features like adjectives to empower their writing.

During our daily SPAG lessons children will learn a variety of new SPAG features that they can use within their own

## Enquiry

During our class enquiry children will learn a lot about the history of Bristol and the trade links Bristol had and still have today.

We will look at money from different eras and discuss how money was used then and now.

## Philosophers

We will be learning about healthy me.. In this topic we will cover areas like alcohol, smoking, emergency aid, body image, and my relationship with food.

This will give children a chance to talk about unhealthy lifestyle choices and how we can all make the right choices when it comes to our own health.

## Mathematicians

This term in maths we will be learning about decimals and percentages. We will be looking at how we find a percentage of an amount and how to order decimals on a number line.

We will also carry on with our daily times tables practise to help all children to know their times tables with ease.

## Kingfisher Class

Enquiry Question: Who is trading with whom?

## Athletes

During this term children will develop their coordinational skills through agility by reaction and response.

This term we will also go on to use the Real PE scheme of learning.

## ICT

This term in ICT as a class we will be learning about programming. This unit of learning will cover the following areas; connecting components, combining output components, controlling with conditions, starting with selection, drawing designs and writing and testing algorithms.

These lessons will give children the opportunity to use iPads to develop their computing skills.

## Theologians

Key Question: What did Jesus do to save human beings?

This term in our religious education lesson we will be looking at the Easter story and the impact this story had on human beings today. How the Easter story helps us to come together and share joy.
