

Authors

In Author this term we will be using a picture book called 'The Promise'. We are going to use this book as our class text to write for a range of different purposes. We will be writing a setting description, a diary entry and a non-chronological report about the planet.

During our daily SPAG lessons children will learn a variety of new SPAG features that they can use within their own writing.

Enquiry

This term our class enquiry is based on how we can help to save the planet.

During this topic we will be engineers, scientists and geographers. We are going to look at the impact humans are having on the planet and how we can help to change that.

Philosophers

This term in jigsaw our class topic is 'changing me'.

This term we will look at puberty and self and body image.

This will give children a chance to ask questions about their body and how their body is changing.

Mathematicians

This term in maths we will be carrying on to look at properties of shape, position and direction and converting units of volume.

We will also carry out weekly arithmetic tests to make sure we are hitting those high scores ready for next year!

We will also carry on with our daily times tables practise to help

Kingfisher Class

Enquiry Question: How are you helping to save the planet?

Theologians

Key Question: What would Jesus do?

This term in our religious education lessons we will look at how Christians use connections between 'good news' and how Christians live in the Christian community and in their individual lives.

Athletes

During this term children will develop their co-ordinational skills through agility by reaction and response.

This term we will also be swimming on a Friday.

Spanish

During our class Spanish lessons we will carry on to look at the seasons in Spanish. Once we have finished this unit we will go on to look at food in Spanish.
